I wish to thank everyone who has sent me info on my Cutbirth Family, which is from my mother's line. This line has several different spellings.

I started this back in 1969 and all my grand parents were gone but still had many other members of their family I could call on to get info. Otherwise I worked at the court house, library and cemeteries to find info that I could.

I with others spent many a week at the Ft. Wayne, IN library, Salt Lake City library, Madison, WI library and many hours at Columbia, MO library just about every year from when I started. There was 4 of us who went to Iowa City every month during the good weather but now one has moved, one has passed and the other can't get out any longer and no fun to go by your self. So decided it was time to stop.

This was before the internet so didn't have that to rely on but was just as well as have found a lot of wrong info on the internet. (I can't say mine is all right either) As much of it was not able to be proven for sure so just had to go by what we could find. But if anyone has proof of what you find is wrong in any of my books I would appreciate knowing it. We know every one is not 100% right as no one is perfect, even in research. New Data June 2017-GLT

So hope these books will be appreciated and enjoyed as much as I had putting them together. But I think now is the time to turn them over to someone else to enjoy as I can't get to the libraries any longer and only the internet to rely on and that isn't as much fun as going to the places where your ancestor's walked themselves.

You will notice different address's but the one above is correct.

Notes

HUSBAND - Johann Carl Boley

Research done on Johann Carl Boley located several sites on the internet which listed his birth as 1748 and he came to US in 10 Nov 1764 and would have been 16 if birth is right. He was on the ship "Boston", Matthew Carr, Master, from Rotterdam to Philadelphia, PA. Found that info okay. Couldn't find any naturalization papers on him. He was on the manifest of the ship. There was also an Anthony Boley age 26 and one Johann Peter Schahl (which could one Peter Shull/Schull of the Boone farmily). The info on Johann Carl if born 1748 and died 15 Aug 1860 in VA he would have been 112 years of age, so one of those dates are probably wrong.

Adam Boley from the site of Wikitree listed his parents as Johann Carl Boley and Katherine Metz and only place have seen their name. Most all Boley's from this family don't have any info on their family but if Andrew, grandson is right and they are natives of Germany the name would be right. (GLT)

I definately will question this but will give me something to work on if it is right.
Not sure the birth and death dates are right for Johann & Katherine.

If Johann Carl Boley b. 1748 and d. 1860 he would have been 112 years of age.

If Katherine was 16 b. 1759 when md in ?1775 and died 1877 she would have been 102 years of age. Which we know wouldn't be right.

Again if Johann was b 1748 and md in Germany he came to US age 16 in 1764 and so married in PA as first known child b. 1776 PA.

The other thing is Katherines 2 grandfathers were born 1754 & 1759 so she couldn't have been born that early. Johann Carl's father was 72 years older then his son. Father b. 1676 and Carl 1748 and again if Johann came to US in 1764 and birth age is right he would have been 16. I'm just afraid these people just don't fit. Certainly need much more research even though found a lot of places on the internet had this same info but with common sense it can't be right. (GLT) So just warning anyone that to be very skeptial about this info before much more research has been done.

I am sure Isaac, John, Nicholas, Adam and George are brothers and have the info on them that is almost to be sure right, as I have done much of their research myself in court houses, cemeteries, libraries and been thru many many books. Just not satisfied about the parents info even though a lot of places have the same info.

All conjecture of the children, but believe John, Isaac, Nicholas are for sure brothers and maybe Adam and George, but Adam and George could be sons of John and Lydia Lawler Boley also. Just not sure.

A grandson Andrew J. Boley son of Adam and Mary Bolley of IN listed in his Find A Grave site that his grandparents were natives of Germany. (Never heard this from any researchers before- GLT).

Husband	Johann Carl Boley
Wife	Katherine Metz
Notes	
WIFE	- Katherine Metz If 16 when married in 1775 she would have been born in 1759. (be 102) Just guesses if 20 when married in 1775 born 1755. If born 1755 and d. 1877 would have been age 122 so one of these dates are really not right. Doubt these are the right birth and maybe death dates of Johann & Katherine. Pedigree Chart from Rootsweb site listed Katherine Metz birth place and death date and place (which I have a question about the date and place) Need more research to know for sure what the right info is. Pedigree chart listed her parents Johann Georg and Gertrude Geis Metz. Both said born Germany but died St Peters, Franklin Co. IN. Not able to locate any of these people in Find A Grave site. Johann Metz parents were Johann George Metz 1754 Germany 1826 Germany and Barbara Proper 1756 Germany and 1827 Germany. Gertrude Geis parents were Johann Heinrich Gies 1759 Germany and d. 1841 and Anna Barbara Tyrb 1760 Germany and d. 1834. Now again I can't vouch for this info on the later generations but do fit for dates I think. Has been said they married in Weingumstadt, Aschaffenburg, Bayern Germany, both born there and parents born there. But if Johann Carl Boley was born in 1748 and came to PA in 1764 on the ship "Boston" he was only 16 so think he didn't marry in Germany but in PA few years after he located in PA, at least by 1776 if birth of first child is correcte an he was born in PA, later children PA or mostly VA. Located the manifest of the ship "Boston" that landed in PA from Rotterdam 10 Nov 1764 and Johann Carl Boley had taken the Oath of Allegiance after getting to US. If married about 1775 in PA he would have been about 27 if 1748 birth date is correct. Still have to question the birth and death date as if born 1748 and d. 1860 he would have been 112 years of age so pretty sure at least the death date might be off or birth date for that matter. Have a lot of info on the Metz family history but haven't located the info on Katherine as yet. According to son Nicholas Boley and his son Andrew stated that his grandparents were from Germany. Only thing I could find on the location of what they said where they came from was the southern part of Germany which is in Bavaria (which when I was in Germany with my husband in US Army we lived in that area for a year before he was sent to Viet Nam) But that was before I started doing genealogy. But we met a friend there tha worked with my husband and we have stayed in touch all this time and so I e-mailed him to ask if he knew where this area was and best he could say was Weingumstadt is a district of the town named Markt Grossosheim - county (asministrative of Aschaffenburg and Bayern is another name for Bavaria area of Germany. But at least know the place he was talking about. Info from Wikitree on Nicholas Boley 1786-1884 who ever did this research they have added his parents name, wives name and 2 children which I know is right so maybe the parents are right as well. Their son Adam and wife Mary had a sone Andrew and he said his grandparents were natives of Germany. I will use this info to work on this family some more and maybe be a hint for others to check out the info. If the mother is Katherine/Catherine Metz, just need to locate more info on her. All conjecture of the children, but believe John, Isaac, Nicholas are for sure brothers and maybe Adam and George and a dau Margaret, but Adam and George could be sons of John and Lydia Lawler Boley also. Just not sure. but don't think so.
CHILD 1	- John Boley *Find A Grave internet site wasn't able to locate John and Lydia in IN. MARRIAGE: Listed in book Nelson Co. KY Marriage Records 1785-1832 . John was married to Lydia Lawler. CHILD 2 - *Isaac Boley

*Find A Grave internet site listed Isaac birth and death date as shown on pic of his grave marker
Marriage to Mary Jimmison 19 Jun 1806 Lincoln Co. KY. 1787-1849 (namd also spelled Jemison?)
Listed 9 of 12 children with dates. Burial Boley-Lahue Cem, Harrison Co. IN. (copy)

Never come across this meaning of the name before: From Ancestry: Boley Family History:
South German: Patronymic from a personal name derived from Pelagius (from Greek Pelagios, a derivative of pelagos "sea"; compare Spanish Pelayo). Saint Pelagius is the patron saint of Constance. English: variant of Bulley

We know for a few generations they came from the Bavarian part of South Germany, which is close to the Austrain border and

Info from several working on this line, also research I did at court houses, cemetery records, census records.

BIRTH: Cemetery stone gives birth and death date. Census give approx. date. Not for sure where he was born, in PA or possibly VA. There were some Boley's in Washington, Fayette Co. PA and maybe he was from there? One source thought he was son of Anthony Boley of Allegany Co. PA.

1st mg could be mother of Margaret Wise (1799- aft 1850) Not located wifes name to date.

2nd MARRIAGE: Located his marriage record from a book at Ft Wayne, "Marriage Records for Nelson Co. KY 1785-1815" by Elizabeth Ellsberry and would be recorded at Bardstown, Nelson Co. KY. of which I need a copy. Name spelled Isaac Bowley and Mary Jimmison. Also a marriage for one Thomas Bowling to Eleanor Hutchins 3 Feb 1807, that maybe Bowley/Boley (a brother?)

CHILDREN: It has been stated Margaret Boley who md Jacob Wise was dau of Isaac Boley. This is the only Isaac Boley that we have located so then comes down to that Isaac was married first to someone before he married Mary Jemison in KY? No record of who. She was living with him in 1850 census as age 51 and Isaac was 67 (would have been 16 if father when she was born but if right age b. 1780 would have been 70 and then been 19 so would fit).

DEATH: Cemetery stone gives birth and death date. Have pictures of their stones in Boley-Lahue cemetery. Only record of his estate was located in Corydon, Harrison Co. IN in Box 109 dated Aug 1863. Which was final settlement of his estate filed by John Riley administrator. Original inventory filed 31 May 1860. Estate worth \$4341.47 minus vouchers totaling \$685.13 with final estate as \$3656.34. This was to be distributed among his heirs. He left 6 children living and the descendants of four children. Already given to 4 children.

CEMETERY: Boley Lahue cem located in the extreme southeastern corner of Jackson Twp, in the northwest quarter of Sec 10, twp 3 south, Range 4 west, approx. 1 1/2 miles south of Crandall.

1790 Isaac would be abt 10 yrs of age and prob. with parents if were located.

1800 Isaac would be abt 20 yrs of age and not know where he is. Need to check PA index again to see if can locate him. Maybe Washington, Fayette Co. PA. Maybe allready in KY? There was only one John Boley in Nelson Co. KY and nothing that looks like Isaac, which the census was taken from the 1800 tax list.

1810 Also have not located Isaac and would be married and abt age 30 yrs. Prob. in KY as was married in Nelson Co. KY 1806.

1820 Washington Co. IN one Isaac Bowler?, which could be Isaac Boley as no other in Harrison Co. IN.: Isaac

Some have said this Margaret Wise was daughter of Isaac Boley but if ages were right Isaac would have had her at age 16 But if she was born 1799 after he married the 1st time she was his dau. and he also had another daughter Margaret b. 1818 and died 1819 from 2nd mg The marriage licence of Margaret when she md Jacob Wise did state Margarets father was Isaac Boley. Could be possible that Isaac was married first to (?) and had Margaret and then married Mary Jimeson.	
Both had died by 1860 census.

CHILD 2 - *Isaac Boley (Continued)	
James O. Boley had sent me some info on Tax records of KY on the Boleys. Only 1814 Isaac Boley listed with one male over 21 and one horse. There was a John Boley 1803 73 acres Dicks River, Lincoln Co. and 1804 John Boley 130 acres and Elijah Boley 100 acres, James Boley as well. 1809 John Boley 130 a. Dicks River, Lincoln Co. 1816 John Boley 86 acres. One John Boley died 1811 there with estate appraisal at Bardstown but nothing else, so not sure which John this is. Father to Isaac or brother? Appraisal 48 pounds, 9 shillings, 0 pence. No other settlement or guardianship of children located.	
Dicks Creek is along east side of Boyle county and flows into Kentucky River.	
CHILD 3 - Nicholas Boley	
*Find A Grave listed birth year and place and death date and place. Listed birth as 1787 but on the stone it says d. 15 Jan 1884 at 99 years of age. burial in Central, Harrison Co. IN, Central Cemetery. Pic of his grave marker and also pic of entrance to this cem. (so not sure abt Bethel unless they changed the name?) Spouse: Nancy Watson 1794-1865 (copy)	
A site on WikiTree listed Nicholas boley b abt 1786 d. 1884 and md Nancy Watson which is all correct. Listed son of Johann Carl Boley and Katherine (Metz) Boley. (which would sure be German. A Johann would be John. So far only place have found maybe their parents?	
Also said 18 degrees from Queen Elizabeth of England (way back if actually from Germany?)	
Nicholas was married in Nelson Co. KY as was John and Isaac. Believe they are brothers. Parents are unknown at this time. Nicholas and wife are buried at the Bethel cemetery in Harrison Co. IN. Nicholas was 99 years of age at time of death.	
Marriage recorded Nelson Co. KY and was preformed by Joseph Ferguson (pg 25 of indexed marriages in book form). Nicholas was age 29 if b. 1785 and Nancy was age 20.

CHILD 4 - Adam Boley (Continued)

His son Andrew J. Boley listed in his Find A Grave site that his grandparents were natives of Germany. (only place have heard that-GLT)

Info from cemetery records of Union Chapel cem in Harrison Co. IN., where both he and his wife are buried. Not sure if he is brother to John, Isaac and Nicholas or a son of John? But John wasn't md until 1802 so this makes me think Adam is a brother to John and not a son.

Mrs Dunlap of St Louis thinks he maybe a brother to Isaac Boley.

Adam Boley's will probated in Harrison Co. IN 20 Aug 1884 in Will book D pg 362 Written 8 Dec 1883 list 5 grandchildren: Charles E. Ludlow, Henry M. Ludlow, William H. Ludlow, Pervia A. Ludlow and Annie J. Ludlow. One Reeder Ludlow was mentioned maybe was adm. Witness: Jacob F. Fiendly and Burnet F. Forbes. I only abstracted the will so don't have complete info to date.

Census records for one Adam Boley.

CHILD 5 - George Boley

*Find A Grave internet site listed his birth 1802 Harrison Co. IN and death 1878 Hillsboro, Henry Co IA.

(if born in IN he may not be the brother of John, Isaac, Nicholas and Adam as they all from KY and had thought the parents had died before the brothers came to IN but need more research on this family to be sure. Spouse:

Catherine Beanblossom 1816-1943. Listed 3 children with dates. Also pic of large grave marker with both their names on it. Hillsboro Cem, Hillsboro Co. IA.

Metz Surname, Family Crest & Coats of Arms

An excerpt from www.HouseOfNames.com archives copyright © 2000 - 2017

During the Middle Ages, the surname of Metz was used in [Austria](#). While the [patronymic](#) and metronymic surnames, which are derived from the name of the father and mother respectively, are the most common form of a hereditary surname in [Germany](#), [occupational](#) surnames also emerged during the late Middle Ages. Many people, such as the Metz family, adopted the name of their [occupation](#) as their surname. However, an occupational name did not become a hereditary surname until the office or type of employment became hereditary. The surname Metz was an occupational name for a knife maker having derived from the Old German word messer, meaning knife.

Metz Early Origins

The surname Metz was first found in [Austria](#), where the name could be considered to have made a great contribution to the [feudal](#) society which became the backbone of modern Europe. Literally, the name could either mean "one who made knives and daggers," for "Metz" is the mediaeval form of "Messer," or it could mean "one who operates a mill," for "metze" was the mediaeval weight scale for foodstuff such as corn and flour. Chronicles first mention one Peter mit der metzen of Glatz in 1356, and a "Mecze" who was the wife of Ramfold von Gersdorf in 1390. Metz is also the Germanized form of the Latin "Mediomatrica," a city on the Moselle River in what was once [Westphalia](#), but is now France, which Caesar described as one of the oldest and most important towns of Gaul. The name "Metzer" then means "from the city of Metz." Strasbourg chronicles mention Conrad Metzger von Hagenau in 1295. The name became prominent in [local](#) affairs and branched into many houses which played important roles in the tribal and national conflicts, in which each group sought power and status in an ever changing territorial profile.

Metz Spelling Variations

One can encounter great variation in the spelling of surnames: in early times, spelling in general, and thus the spelling of names was not yet standardized; and later, spellings would change with branching and movement of families. Variations of the name Metz include Metz, Metzmacher, Metzner, Metze, Mets, Metsch and many more.

The Austro-Hungarian Empire was broken up by the Treaty of Versailles and many of its people found themselves in the new nation of Czechoslovakia. Many other Austrians and expatriate Austrians made their way to North America in the 20th century. Most landed in Philadelphia, later continuing on to the states of Ohio, Texas, Illinois, California, New York, and Maryland. Some Austrian settlers also went to western Canada and Ontario. Marriage to Mary Jimmison 19 Jun 1806 Lincoln Co. KY. 1787-1849 (namd also spelled Jemison?)				
Listed 9 of 12 children with dates. Burial Boley-Lahue Cem, Harrison Co. IN. (copy)				
Never come across this meaning of the name before: From Ancestry: Boley Family History:				
South German: Patronymic from a personal name derived from Pelagius (from Greek Pelagios, a derivative of pelagos " sea"; compare Spanish Pelayo). Saint Pelagius is the patron saint of Constance. English: variant of Bulley				
We know for a few generations they came from the Bavarian part of South Germany, which is close to the Austrain border and				
Info from several working on this line, also research I did at court houses, cemetery records, census records.				
BIRTH: Cemetery stone gives birth and death date. Census give approx. date. Not for sure where he was born, in PA or possibly VA. There were some Boley's in Washington, Fayette Co. PA and maybe he was from there? One source thought he was son of Anthony Boley of Allegany Co. PA.

HUSBAND - *Isaac Boley (Continued)

1st mg could be mother of Margaret Wise (1799- aft 1850) Not located wifes name to date.

2nd MARRIAGE: Located his marriage record from a book at Ft Wayne, "Marriage Records for Nelson Co. KY 1785-1815" by Elizabeth Ellsberry and would be recorded at Bardstown, Nelson Co. KY. of which I need a copy. Name spelled Isaac Bowley and Mary Jimmison. Also a marriage for one Thomas Bowling to Eleanor Hutchins 3 Feb 1807, that maybe Bowley/Boley (a brother?)

CHILDREN: It has been stated Margaret Boley who md Jacob Wise was dau of Isaac Boley. This is the only Isaac Boley that we have located so then comes down to that Isaac was married first to someone before he married Mary Jemison in KY? No record of who. She was living with him in 1850 census as age 51 and Isaac was 67 (would have been 16 if father when she was born but if right age b. 1780 would have been 70 and then been 19 so would fit).

DEATH: Cemetery stone gives birth and death date. Have pictures of their stones in Boley-Lahue cemetery. Only record of his estate was located in Corydon, Harrison Co. IN in Box 109 dated Aug 1863. Which was final settlement of his estate filed by John Riley administrator. Original inventory filed 31 May 1860. Estate worth \$4341.47 minus vouchers totaling \$685.13 with final estate as \$3656.34. This was to be distributed among his heirs. He left 6 children living and the descendants of four children. Already given to 4 children.

CEMETERY: Boley Lahue cem located in the extreme southeastern corner of Jackson Twp, in the northwest quarter of Sec 10, twp 3 south, Range 4 west, approx. 1 1/2 miles south of Crandall.

1790 Isaac would be abt 10 yrs of age and prob. with parents if were located.

1800 Isaac would be abt 20 yrs of age and not know where he is. Need to check PA index again to see if can locate him. Maybe Washington, Fayette Co. PA. Maybe already in KY? There was only one John Boley in Nelson Co. KY and nothing that looks like Isaac, which the census was taken from the 1800 tax list.

1810 Also have not located Isaac and would be married and abt age 30 yrs. Prob. in KY as was married in Nelson Co. KY 1806.

1820 Washington Co. IN one Isaac Bowler?, which could be Isaac Boley as no other in Harrison Co. IN.: Isaac Bowler? males to 10=1 10/16=2 18/26=1 26/45=1 (Isaac would be 40 yrs of age). Females to 10=1 10/16=1 16/26=2 26/45=1 and 3 agriculture.

1830 Harrison Co. Harrison Twp. IN: Isaac Boley males to 5=1 10/15=1 15/20=2 20/30=2 40/50=1. Females to 5=1 5/10=1 10/15=2 15/20=2 40/50=1

1840 Harrison Co. IN: Isaac Bowley males 10/15=1 50/60=1 and females 10/15=1 15/20=1 50/60=1

1850 Harrison Co. IN pg 625 #422/422 23 Aug: Isaac Boley 67 PA (1783) farmer, Margaret Wise 51 VA (1799), Henry Wise 15 IN, Nicholas Boley 35 KY, Sarah 28 IN, Henry 11 IN, Martin 9 IN, Adaline 7 IN, Caroline 6 IN, Drathula 4 IN, Melvina 4 IN, Mary E. 1. (if age right Isaac would be father to Margaret at age 16 so she could be his sister). Although no one has said Isaac had a sister, only brothers?

Some have said this Margaret Wise was daughter of Isaac Boley but if ages were right Isaac would have had her at age 16 But if she was born 1799 after he married the 1st time she was his dau.

and he also had another daughter Margaret b. 1818 and died 1819 from 2nd mg The marriage licence of Margaret when she md Jacob Wise did state Margarets father was Isaac Boley. Could be possible that Isaac was married first to (?) and had Margaret and then married Mary Jemison.

Both had died by 1860 census.

Isaac bought a lot of land in Harrison Co. IN (haven't checked what he sold to date). Checked records and have abstracted just the particulars at this time.

Father of Pa parentage & birth and went to KY & mother of Scottish ancestry. James O. Boley had sent me some info on Tax records of KY on the Boleys. Only 1814 Isaac Boley listed with one male over 21 and one horse. There was a John Boley 1803 73 acres Dicks River, Lincoln Co. and 1804 John Boley 130 acres and Elijah Boley 100 acres, James Boley as well. 1809 John Boley 130 a. Dicks River, Lincoln Co. 1816 John Boley 86 acres. One John Boley died 1811 there with estate appraisal at Bardstown but nothing else, so not sure which John this is. Father to Isaac or brother? Appraisal 48 pounds, 9 shillings, o pence. No other settlement or guardianship of children located. Dicks Creek is along east side of Boyle county and flows into Kentucky River.	
WIFE	- Mary Jemison-Jimmison
*Find A Grave internet site listed Mary birth and death year, Second wife of Isaac Boley 1780-1860. Pic of grave marker with dates on it. She listed 9 of 12 children with dates. (copy)	
Info from several working on this line, also research I did at court houses, cemetery records, census records. Have located her name spelled many different ways: Gemison, Jammerson, Jemison, Jamison, Jemmison but if came from the early family of Jamison, of which haven't found a connection yet her name is probably suppose to be Jamison. Could be Jimmison. BIRTH: Cemetery stone gives birth and death date. Census give approx. date. Not for sure where she was born, in PA or possibly VA. Sources have said her father was James Jimmerson and some have said John Jemison. There was a John Jemison in Nelson Co. KY but no James in census/tax records. MARRIAGE: Located her marriage record from a book at Ft Wayne, "Marriage Records for Nelson Co. KY 1785-1815" by Elizabeth Ellsberry and would be recorded at Bardstown, Nelson Co. KY. of which I need a copy. Name spelled Isaac Bowley and Mary Jimmison. DEATH: Cemetery stone gives birth and death date. Have pictures of their stones in Boley-Lahue cemetery. Only record of his estate was located in Corydon, Harrison Co. IN in Box 109 dated Aug 1863. Which was final settlement of his estate filed by John Riley administrator. He left 6 children living and the descendants of four children. Already

1800 Have not located her as would be ca age 12. There are numerous Jamisons in KY with various spellings in several counties. There is a James Jamison in Lincoln Co. and one in Mercer Co. KY.

1810 Also have not located Isaac and would be married and abt age 30 yrs. Prob. in KY as was married in Nelson Co. KY 1806.

1820 Washington Co. IN one Isaac Bowler?, which could be Isaac Boley as no other in Harrison Co. IN.: Isaac Bowler? males to 10=1 10/16=2 18/26=1 26/45=1 (Isaac would be 40 yrs of age). Females to 10=1 10/16=1 16/26=2 26/45=1 and 3 agriculture.

There is one James Jammison in Harrison Co. In age 26/45 with wife and 5 daughters. This maybe a brother, doubt would be father.

1830 Harrison Co. Harrison Twp. IN: Isaac Boley males to 5=1 10/15=1 15/20=2 20/30=2 40/50=1. Females to 5=1 5/10=1 10/15=2 15/20=2 40/50=1

Different sources have said her father was James and some have said John. To date I have not located any info other then they were of Scotch ancestry, which fits with the Jamison Family Histories that say 3 brothers came here from Scotland and this is where the family originated and all in America are from these 3 brothers. The name has been spelled several ways from Jimerson to Jemison to Jamison/Jameson. Probably came from the Jamison name.

Researched several Quarterlies that was listed in Persi on Jamison and didn't see any connection.

One quarterly "Leaves of Greene" Vol 8 # 3 Apr 1987: John Jamison Family, Ohio Listed Jameson line from Scotland 1756. John A. Jameson wrote the article his grandfather was John Jameson b. 1784 and great grandfather was George Jameson.

Other quarterlies checked were: Shaken & Diggin, Greenup Co. KY; Pioneer Trails, PA to KY; Orange Co. CA Gen Soc, IN-PA; PA Gen mag, PA; Maryland/Delaware Gen; Am Monthly Mag (DAR); Researcher, MO. None with any help.

CHILD 5 - *Nicholas Boley (Continued)	
BIRTH: Cemetery records and stone say d. 17 Jul 1856 at age 40 yrs 2 mo 22 days which calculates to birth date of 25 Apr 1816. Census records in 1850 list him as age 35 and that would show ca 1815. Correspondence with others have given the 15 May 1815 date as his birth. I am going to use the cemetery date for now.	
MARRIAGE: Marriage was recorded at Corydon, Harrison Co. IN, book and pg not copied. Have copy of their licence. They were married by Henry Bonebrake. Notation in the mg affidavit: Sarah consent by father, Spencer Lahue and Nicholas age proven by Isaac Hendricks. Nicholas would have been 23 and Sarah 17 when married. If birth date of 1816 is correct Nicholas would have been not quite 22 yrs of age, which maybe is why he had his age proven. No age appeared on the licence.	
DEATH: Nicholas died 4 months before Sarah and his probate record is recorded at Harrison Co. IN. Have a copy but don't remember where it is filed. His age at the time of death on grave stone was 40 yrs 2 mo 22 days. Sarah died at age 34. William Blankenbaker was appointed as guardian of the younger children, Henry, Martin, Adaline, Caroline, Melvina, Darthula, Mary E. and Isaac G. Also have a copy of sale bill and personal property sale bill. Recorded Bk C pg ?. Harrison Co. IN. Thomas C. Slaughter adm. of will. There were several items on the sale list. Have been to the cemetery and have pictures of stones of Nicholas, Sarah and the children that are buried at the Boley-Lahue cemetery. The death date on his stone says 17 Jul 1856 age 40 yrs 2 mo 22 days.	
CEMETERY: Boley Lahue cemetery located in the extreme southeastern corner of Jackson Twp in the northwest quarter of Sec 10, twp 3 south, Range 4 east, approx 1 1/2 miles south of Crandall.	
1830 Harrison Co. IN: Nicholas would be ca age 15 and prob. with parents.	
1840 Harrison Co. IN: Nicholas Boley listed with males to 5=1 20/30=1 and females 20/30=1.

1840 Martha prob. with husband in Harrison Co. IN. Not sure of birth date.	
1850 Have not located Martha to date.	
CHILD 7 - Margaret Boley	
Nothing but cemetery records for Margaret. One source had said her name was listed as Margarita Boley, but cem, listed Margaret.	
CHILD 8 - Elizabeth Boley	
Info from Mrs Dunlap, St Louis 1973 and James O. Boley 1979 and the Lahue book. Info on the children's birth dates were listed in Elizabeth's pension application. Maybe Jackson died in Crawford Co. IN?	
Elizabeth and their minor children resided in Crawford Co. IN in 1860 when the Harrison Co. Court appointed John Riley as guardian of the minor children. Elizabeth applied for a dependent mothers pension in 1883, based on her son Isaac's service in the Union Army (Isaac died 1868 of disease contracted in or caused by hardships of army service). On her application, Elizabeth stated that her husband had left her and the children a farm of 117 1/2 acres of badly worn and poor land. She and the children had remained on the land, working it the best they could and in winter she had "spun yarn", quilted and sewed, etc., barely managing to get along, especially while three of her four sons were in the army. After the war, she had sold her interest in the farm and in 1877 had moved from Leavenworth in Crawford Co., to Parke Co. IN (P.O. Leatherwood), where in 1883 she owned a little over two acres.	
CHILD 9 - Julia Ann Boley	
Info from Mrs Dunlap, St Louis 1973 and James O. Boley 1979. Marriage recorded at Corydon, IN. Nothing on her death date or place. Husband John died 1868 and his stone with other children were listed at the Boley-Lahue

Marriage to Mary Jimmison 19 Jun 1806 Lincoln Co. KY. 1787-1849 (namd also spelled Jemison?)
Listed 9 of 12 children with dates. Burial Boley-Lahue Cem, Harrison Co. IN. (copy)

Never come across this meaning of the name before: From Ancestry: Boley Family History:
South German: Patronymic from a personal name derived from Pelagius (from Greek Pelagios, a derivative of pelagos "sea"; compare Spanish Pelayo). Saint Pelagius is the patron saint of Constance. English: variant of Bulley

We know for a few generations they came from the Bavarian part of South Germany, which is close to the Austrain border and

Info from several working on this line, also research I did at court houses, cemetery records, census records.

BIRTH: Cemetery stone gives birth and death date. Census give approx. date. Not for sure where he was born, in PA or possibly VA. There were some Boley's in Washington, Fayette Co. PA and maybe he was from there? One source thought he was son of Anthony Boley of Allegany Co. PA.

1st mg could be mother of Margaret Wise (1799- aft 1850) Not located wifes name to date.

2nd MARRIAGE: Located his marriage record from a book at Ft Wayne, "Marriage Records for Nelson Co. KY 1785-1815" by Elizabeth Ellsberry and would be recorded at Bardstown, Nelson Co. KY. of which I need a copy. Name spelled Isaac Bowley and Mary Jimmison. Also a marriage for one Thomas Bowling to Eleanor Hutchins 3 Feb 1807, that maybe Bowley/Boley (a brother?)

CHILDREN: It has been stated Margaret Boley who md Jacob Wise was dau of Isaac Boley. This is the only Isaac Boley that we have located so then comes down to that Isaac was married first to someone before he married Mary Jemison in KY? No record of who. She was living with him in 1850 census as age 51 and Isaac was 67 (would have been 16 if father when she was born but if right age b. 1780 would have been 70 and then been 19 so would fit).

DEATH: Cemetery stone gives birth and death date. Have pictures of their stones in Boley-Lahue cemetery. Only record of his estate was located in Corydon, Harrison Co. IN in Box 109 dated Aug 1863. Which was final settlement of his estate filed by John Riley administrator. Original inventory filed 31 May 1860. Estate worth \$4341.47 minus vouchers totaling \$685.13 with final estate as \$3656.34. This was to be distributed among his heirs. He left 6 children living and the descendants of four children. Already given to 4 children.

CEMETERY: Boley Lahue cem located in the extreme southeastern corner of Jackson Twp, in the northwest quarter of Sec 10, twp 3 south, Range 4 west, approx. 1 1/2 miles south of Crandall.

1790 Isaac would be abt 10 yrs of age and prob. with parents if were located.

1800 Isaac would be abt 20 yrs of age and not know where he is. Need to check PA index again to see if can locate him. Maybe Washington, Fayette Co. PA. Maybe allready in KY? There was only one John Boley in Nelson Co. KY and nothing that looks like Isaac, which the census was taken from the 1800 tax list.

1810 Also have not located Isaac and would be married and abt age 30 yrs. Prob. in KY as was married in Nelson Co. KY 1806.

1820 Washington Co. IN one Isaac Bowler?, which could be Isaac Boley as no other in Harrison Co. IN.: Isaac Bowler? males to 10=1 10/16=2 18/26=1 26/45=1 (Isaac would be 40 yrs of age). Females to 10=1 10/16=1 16/26=2 26/45=1 and 3 agriculture.

1840 Harrison Co. IN: Isaac Bowley males 10/15=1 50/60=1 and females 10/15=1 15/20=1 50/60=1

1850 Harrison Co. IN pg 625 #422/422 23 Aug: Isaac Boley 67 PA (1783) farmer, Margaret Wise 51 VA (1799), Henry Wise 15 IN, Nicholas Boley 35 KY, Sarah 28 IN, Henry 11 IN, Martin 9 In, Adaline 7 In, Caroline 6 IN, Drathula 4 In, Melvina 4 IN, Mary E. 1. (if age right Isaac would been father to Margaret at age 16 so she could be his sister). Although no one has said Isaac had a sister, only brothers?

Father of Pa parentage & birth and went to KY & mother of Scottish ancestry. James O. Boley had sent me some info on Tax records of KY on the Boleys. Only 1814 Isaac Boley listed with one male over 21 and one horse. There was a John Boley 1803 73 acres Dicks River, Lincoln Co. and 1804 John Boley 130 acres and Elijah Boley 100 acres, James Boley as well. 1809 John Boley 130 a. Husband	*Isaac Boley

Notes WIFE - (female) ?Unknown (Continued) first wife would probably have died before 1806. There seems to be a marriage in Nelson Co. KY 1798 that could be Isaac Boley and have no name for her to date. She would be Margaret's mother. CHILD 1 - Margaret Boley MARRIAGE: Marriage record of Margaret Bowley to Jacob Wise recorded Bk 1 pg 20 of Harrison Co. IN listed Margaret's father as Isaac Bowley. We have only located one Isaac Boley and unless he was married first to the mother of Margaret, which is possible as he would have been 19 and was thought to have been in Virginia after leaving PA before going to KY. Have not located another Isaac Boley/Bowley in KY at that time either. She could be a sister to Isaac or related some other way but it is beginning to look like he was her father. 1850 Harrison Co. IN list Margaret Wise age 51 in household with Isaac Boley age 67 and Mary Jamison Boley and Margaret's son Henry Wise age 15. (Isaac's age could be off few years which would fit better for Margaret to be dau). She was dau by Isaac's first marriage. He also had a daughter Margaret with his 2nd wife who was born 1818 and died 1819.

Husband	Jacob Wise
Wife	Margaret Boley
Notes HUSBAND - Jacob Wise MARRIAGE: Mg recorded Harrison Co. IN Bk 1 pg 20. DEATH: Believe died before 1850 as wife and son living with Isaac Boley and Mary Jamison Boley with their son Henry age 15 at that time. WIFE - Margaret Boley MARRIAGE: Marriage record of Margaret Bowley to Jacob Wise recorded Bk 1 pg 20 of Harrison Co. IN listed Margaret's father as Isaac Bowley. We have only located one Isaac Boley and unless he was married first to the mother of Margaret, which is possible as he would have been 19 and was thought to have been in Virginia after leaving PA before going to KY. Have not located another Isaac Boley/Bowley in KY at that time either. She could be a sister to Isaac or related some other way but it is beginning to look like he was her father. 1850 Harrison Co. (Isaac's age could be off few years which would fit better for Margaret to be dau). She was dau by Isaac's first marriage. He also had a daughter Margaret with his 2nd wife who was born 1818 and died 1819. CHILD 1 - Mary Ann Wise Mary Ann Wise married Isaac Boley 28 June 1840 (?Harrison Co.IN) and conceit by Margaret Wise. Believe to be her mother? 1850 Harrison Co. IN list her age as 41 or 64, can't make out for sure, but both would be wrong if parents md 1818 and she would have been born abt. 1820 at least so by 1850 she would have been closer to age 30 and Isaac would have been closer to 41 if b. 1809. Their son George b. 1846 and son John b. 1849. Next door to John Boley 74 PA, Mary 64 KY (believe to be parents of Isaac). CHILD 2 - Henry Wise 1850 Harrison Co. This is the WPA list we found at the library at Ft. Madison, Iowa. we had quite a time finding the cemetery as name has now been changed to Brown. an old timer remembered that there used to be an old Baptist church nearby and then checking further found the Boley stones and everyone helping us search for the head stone were satisfied this was the right cemetery. Binnellson, Iowa, has started a historical society and I sent a donation as a memorial to Chas. and his great grandfather.

ADDITIONAL INFORMATION:

There was a Margaret Wise living with Isaac Boley in 1850 and she has been said to be his daughter. He was 67 and she 51. Since he had a daughter named Margaret b. 1818, I think she could have been a sister, or cousin, helping with his children. Her father was listed as Isaac Boley in mg lic when she married 24 Dec 1818 Jacob Wise. Her father could have been another Isaac, and not necessarily this one. Name spelled Bowley in mg licence book 1 pg 20 Harrison Co. IN. Had a son Henry Wise age 15 in 1850 census also.

INFORMATION ON ISAAC AND MARY JEMISON BOLEY

- 9 Feb 1780 Isaac was said to have been born. Have not located his parents as yet. Born either PA or maybe VA. Boley's in both states. However not located any connection for sure. At this time there is a disagreement as to who his parents are.
- 9 Jun 1787 Mary Jemison/Jamison was said to have been born. Her cemetery stone would substantiate this date if correct. Have not located who her parents are either. She was possibly born in PA. A book I recently came across in WI. says all Jamison and married spellings came from 3 brothers in Scotland. It is reported that Mary was of Scottish ancestry. No connection to any line of Jamison as yet.

court house. I have a copy of the final statement,

which is all that was located. However it does give much info on his children and grandchildren. Was filed by John Riley, who was son in law. Original estate record filed 31 May 1860. Stated that he had 6 children living and descendants of four children that were deceased.

They hold Boley reunions in Farmington, IA usually in July of each year. I have not been to any, but my Aunt Hazel Dyer Urton has.

They have had a reunion in Harrison Co. in recent years also. Date?

Dear Jackie,

This obit was in our local newspaper today so thought would send you a copy. Didn't know if you knew it or not.

The info was the same as I had except they put his wives name as Marline Boley and was actually Marlene Horn.

You had sent me info on his children some time ago and now it appears he was almost the last in the family, only one brother left. I don't have death dates for any of his sisters or brother, do you?

Nothing else new here.

Sincerely, your cousin

Dear Jack,

I have enclosed some family group sheets from my genealogy program Personal Ancestry File (PAF) which I use. This is about what I know on the Boley's from your direct line.

As you can see by my fgs I knew about you before as corresponded with your grandmother before she died and she gave me some info on the family, however she never detailed it. Will be glad to have rest of info to fill in the families after you have looked at mine and see what I am missing and if you have info would surely appreciate it.

My husband was in the Army and he was in Viet Nam for a year as Chief Warrant Officer and he also had been there 3 times before he spent the year there as well as many other places that was classified. So he got to see some of that. He was also in Korea so when his 20 years was up he was more then ready to retire.

Will get this in the mail.

Sincerely, your 4th cousin

Greetings Gladys,
I'm going to take the liberty of writing to you on a informal basis so will gab a little bit. Please forgive me if I ramble a bit and not stay on subject.

My name is Jackie J. Watson
12858 W. 54th Pl.
Arvada, Colorado 80002-1337

E-Mail: JW1408@AOL.COM

I was born and raised down river from your present location in the little town of Kahoka, Clark County, Missouri. I just started working on this family tree a couple of months ago when my daughter bought me a new computer and a family tree program in hopes that I would start making sence of the various pieces of paper in my war chest. She also said she would pay for the AOL on line fees. I have just started puting these stacks together so data base is only 500-600 persons mainlining only Watson, Brotherton, and Boleys at the moment. Think I will just print out copies from what I have on Boleys in the computer and send it to you by post. It might be faster since my typing isn't to good anymore and have had problems with attached files lately. I'm afraid that I don't have anything past Isaac Boley/ Mary Jemison at this moment either but I haven't done any research either just trying to put what I do have into computer.

My line comes from your Nicholas's brother John D. Boley/ Elizabeth Walk
They moved from Harrison Co. Ind cir. 1845 to Donnellson, Lee County, Iowa and are buried at Ashton Cemetery, Ashton, Clark County, Missouri. as were quit a few others that I know of since I grew up close and copied names from tombstones when I was a child (my birthdate June 24, 1944) at the time I didn't realize what I was doing just a kid with a notebook. I wish I had paid more attention to grandparents and their conversations but what kid does. The Boley reunions were held at Farmington, Lee County, Iowa every year and I enjoyed the food but not the older people talking. As I remember Most of the Boleys lived up in Iowa.

I myself went into the Air Force in 1965 for lack of enough money to continue at NE Missouri State in Kirksville and not feeling like becoming one of the "few good men" didn't seem to keep me out of Vietnam as I spent four years in that country anyway and have a few scars for it. The AF was life for 23 years until 1988 when I became tired of it and decided to call it quits. Never did intend to stay but was always in fighter or special operations so life was never dull until I hit Lowry AFB and the Air Training Command which just wasn't my cup of tea. Now I am rambling to much and by now you have probably deleted the whole letter.

Will burn off a copy of the Descendants list and put it into the mail and hope you will stay in touch. With luck it will help you in some way and would love to have copies of anything that you can fill in on Boley's so that I may add it to my copy.

Jack

Hi Jackie,

Thank you for answering my query. I have been working on this line for like 30 years and can't get past Isaac and Mary. Do have some on the children. I am always glad to find new cousins. I had just decided to put the query on yesterday and was surprised to find an answer. I have had one on my Anderson line for weeks and guess no one is working on that line. I descend from their son Nicholas and Sarah Lahue Boley and their dau Melvina Boley Dyer. Which line do you descend from?

Do have info will exchange with you if you would like. Get back to me and will see where we can go from here.

I usually go on line in the mornings to check mail and maybe go into the internet and sometimes my husband goes on in the afternoon but never on at night but will list you anyway and maybe we will get together. Send me your snail mail address.

Mine is: Gladys L. Treadway

I use my husbands address so you can write me there.

Gladys :-)

Home from work this afternoon and reading the mail before I soak my feet ! Just had to get back with you and thank you in advance for going to the effort of mailing anything to me. Wish I were there to show you how to do different things with the computer I would try to write somethings down but think if you experience just punching buttons you will do pretty good after awhile. Kind of like my mother baking cookies. She just started putting things together here and there and never came up with a bad batch. She was a registered nurse but always wanted to be a doctor. Younger brother is a doctor so some one made something of themselves in the family.

I would love to have as much information as you have on the Boley's and are willing to part with. Especially and coming together of Brotherton's and Boley's such as in the case of my grandparents: W.J. and Myrtle. My gut feeling is that the lines cross at different points as they were in many cases in same counties.

Since I have Just started this project I have only entered items from copies of Family bibles ,obits., and dates from my very old notebook from childhood copies of tombstones in and around Clark County, Missouri. I just made a contact here in Denver area of a person that has beendoing this for years also and he has a Boley's line that connects to John Boley/Elizabeth Walk. I don't know the extent in this area as he has only had my information for two days but will probably get back to me next week sometime. So many contacts and postings that I made on-line are just now bearing fruit, you for an example. I keep thinking I need to type up a bio. on myself to include on some of these first contacts since you appreciated the introductory letter . Though some people might think it to formal, what do you think? I'm just a bare foot Missouri mud plodder at heart.

My wife Yang is yelling that dinner is ready so best obey orders. I lost all rank when I retired from AF and now she gives the orders.

Again thank-you for putting up with my rambling and will try to stay in touch and hopyou feel like doing the same. There are some relatives of mine very close to you and will try to dig up the phone numbers and addresses soon and send to you .

Why was estate of Ida M. Boley, husband Joseph listed in estate?) None of this makes sense?

Info received from Eugene C. Boley, 3457 Indian Lake Lane, Pelham, AL 35124 Jan 1998 first from e-mail chabol@aol.com and then by letter. He stated the family moved from a brick house one mile east of Donnelson, Iowa to the home place west of Kahoka in the winter of 1892-93. They forded the Des Moinse River. In 1938 they tried to sell the 280 acres (home place) for \$50 per acre to pay off some debts and mortgate. Finally in 1947 it sold for \$110 per acre. The heirs had tried to sell it to Lawrence Boley for \$100 per acre in 1947, but Lawrence was afraid to go into debt. So many of the relatives had lost farms a few years before by going into debt. In 1997 the farm sold again for \$2250 per acre, over a half million dollars. (Just goes to show you how much land has come up in price over the years-GLT).

Campers Weather The Downpour

Several hundred people in about 70 camper units in the scenic Drive area of Rodeo park weathered Saturday evening's heavy rain.

The camping buffs were on hand for the 23rd annual Tri-State Rodeo.

They were given free camping privileges in exchange for purchasing tickets for either the Friday and Saturday evening performances of the rodeo.

The camping project was a new rodeo activity this year. Chairmen for the project was William Sopher.

A Show of Chivalry

All three contestants in a special goat-tying event for youngsters during Saturday evening's performance of the Tri-State Rodeo here were declared winners, but seven-year-old Kerry McMillen, son of Mr. and Mrs. Dale McMillen, Fort Madison, received extra recognition after he helped another contestant get the goat down.

In a show of chivalry, Kerry went to the aid of eight-year-old Cheri Cox, daughter of Mr. and Mrs. Carl Cox, Fort Madison, after the goat was able to get away from Cheri while she was trying to tie it up. With Kerry's aid, the event was completed successfully.

Kerry had been able to complete the goat-tying as the first contestant with only a slight assist from one of the clowns.

Bernard Hesse, 9, son of Mr. and Mrs. Bernard B. Hesse IV, Fort Madison, completed the goat-tying as the second contestant. The project went into a brief overtime but Bernie was able to down his goat and tie it without any help.

Interment in the Wyaconda cemetery.

OBITUARY

Alice A. Smulling Hauptman born May 12, 1863 departed this life at her home in Wyaconda, Mo. Sept. 23, 1942. She was one of 4 daughters born to Mr. and Mrs. John D. Smulling who formerly lived in the Mt. Tabor neighborhood. Mrs. Hauptman was converted at the age of 16 at the Ballard Baptist Church by the Rev. Nelson. Later she joined the new Woodville Church and later joined the Wyaconda Baptist church being one of its charter members.

She taught one term of school at Boston and for a time was an assistant to her father in the Post Office at Wyaconda.

On Dec. 18, 1904 she was married to William Hauptman. They lived on a farm near Wyaconda until Dec. 3, 1939 at which time they took up their residence in Wyaconda. Her husband preceded her in death Nov. 25, 1940. There is left to mourn their loss 2 sisters, Mrs. Bailey Carman of Wyaconda and Mrs. John N. Wood of Quincy, Ill. One daughter Mrs. Lee Smith of Kansas City, a grandson Harold Smith of Parkville, Mo., 4 nephews Harry and Henry Wood, John and Henry Carman, 3 nieces, Mrs. Walter Fletcher, Mrs. Alice Paulsell and Edith Carman and other relatives and friends.

Her passing was sudden and quiet, fulfilling a long desired wish. She was an unassuming nature, yet very deeply interested in everything. To know her was to love her as she possessed in a very marked degree all of the deep characteristics of a spirit filled christian--surely ended her work well follow her. No doubt her word to us all at this time would be

Sunset glow and evening star
And one clear call for me
When I put out to sea
For the from out our bourns
Of Time and Place
The flood may bear me for
I hope to see my pilot face
When I have crossed the bar.

Interment in the Wyaconda cemetery.

Kahoka Mo.
Media

Letter To

TO THE EDITOR

14 July
1982

My aunt, Mrs. Robert St. Clair, gave me a year's subscription to The Media and I have been reading each issue very carefully, hoping to find the name of an old schoolmate or a neighbor, without much success until I opened the June 23 one.

Frank Brookhart mentioned several people I had known, including Willie Egbert and two friends of my uncle, Joe Boley, Leonard Moore and Leo Dorsey.

I graduated from Kahoka High School in the class of 1918, the first class to graduate from the new building. The 1918 class must have scattered widely. I came to California in 1919 and some of my classmates also located in other states as well.

My grandfather, Isaac Boley, was one of the earliest settlers in Clark County, coming there from Donnellson, Iowa, and he lived there until his death in 1917. His great-grandson is the Jackie J. Watson mentioned in Early Recollections.

I was born Nov. 12, 1898 in my grandfather's home, five and one-half miles southwest of Kahoka. Dr. J.R. Bridges was in attendance to see that I arrived safely.

Cordially,
Ralph M. Boley
Hanford, Calif.

guards and forced the other end of the ferry approach down, then slid into the river, floating along for 20 feet and slowly sank to the bottom in about 15 feet of water.

Dale Knipfeler, of Warsaw, a ferry operator, told Dr. P. S. Bor-ton, county coroner, called to the scene together with Sheriff Chas. Williams of Kahoka, that as Brotherton passed him the car was tilted and he saw the man's head sticking out of the window. He said it seemed Brotherton had suffered a heart attack or a stroke and apparently "froze" at the wheel. A son, Billy Brotherton of Ashlan, arrived at the post-mortem this afternoon and reported giving his attention and assistance to the body.

Brotherton lost his legs in a train accident at Ashlan, many years ago. He was said to have been mailing a letter when in the same manner he fell beneath the wheels of the engine and was crushed.

His head and arms were found fairly well and even drive car mechanics with artificial legs. Kneelock dressmen were called shortly before 2 o'clock Thursday afternoon to give artificial respiration, in the event they found the body could be revived from the emergency case.

They waited on the shore for more than an hour, but extreme difficulty was encountered in hooking sufficiently strong cables and chains on to the car and pull it to shore against the current. Luck befell them to find a large car first used by it. It could not get sufficient leverage. So a large wrecker from Kahoka, by use of special cables fastened to the car by divers at the bottom of the river, pulled the load ashore.

Dr. P. S. Bor-ton, Dr. J. A. Bobb, Dr. J. C. Dunsberry and Dr. J. C. Dunsberry attempted to keep the cardiac operation to keep the car-cable securely hooked to the car. Albert Davis also assisted, with his boat along with another by Dr. C. D. Smither. Many others also assisted in the operation, the cables being attached with the chain being trans-ferred from one truck to the wrecker.

Dr. Bor-ton said no in-quest would be held. Little water was found in his lungs when the body was recovered corroborating the ferryman's observation of a heart attack on the part of him on the car.

There was no sign of him on the ferry, indicating either heart failure or stroke.

Walter J. Brotherton, son of Brotherton, who was born in Ashlan, Mo., was born in CAHOKA, Mo., August 14, 1915 at the age of 4 years and 6 months. He united with the

Herley and Leland Ayer of Mt. Sterling, Iowa, called on Mr. and Mrs. Alvin Ayer and family Thursday afternoon.

Greg Suter returned home on Sunday, after spending several weeks with his grandparents, Mr. and Mrs. Scott of Arkansas. His grandparents brought him home and spent a few days with their daughter, Mr. and Mrs. Kenneth Suter and family.

Mr. and Mrs. George Swinderman and Robin of Memphis spent Sunday evening with Mr. and Mrs. Everett Grindle. They brought supper with them, and a birthday cake, Robin had baked, for her parents, whose birthdays were this week.

Mrs. Aubrey Suter, Mrs. Kenneth Suter and Ruby Husted were in Quincy on business last Monday.

Mr. and Mrs. Alvin Ayer and family hosted a fish fry Saturday evening. Guests were Mr. and

Mrs. Carol Ayer and Becky Hough of Kahoka; Mr. and Mrs. Joe Bertelli and Mr. and Mrs. Jerry Bertelli, all of Mt. Sterling, Iowa; Mr. and Mrs. Cliff Petite of Carroll, Iowa; Mr. and Mrs. Larry Arnold and family of Memphis; Mr. and Mrs. Randy Ayer and daughter of Luray; Mr. and Mrs. Paul Ayer and family, local, and Mr. and Mrs. Bob Bertelli and family of West Branch, Iowa, who had spent the week in the Ayer home.

Mr. and Mrs. Larry Howell and family of a South Dakota Air Force Base are visiting his parents, Mr. and Mrs. Loyd Howell, and other relatives.

Trudy Nichols received word this Wednesday that her daughter, Eleanor Blackaby was in the hospital; and that her granddaughter had gotten burned by hot grease while preparing lunch.

Mr. Moore from Kahoka is doing bulldozing on the Golda Smith place.

The availability date for loans on 1977 crop corn has been extended from May 31 to September 29 for grain reserve purposes only, County ASC Chairman Hilborn W. Higbee announced today. These new loans must then be immediately entered into the three year grain reserve program, and storage earnings will begin immediately.

The reserve program was instituted in order to relieve market pressure from surplus supplies and improve the price of feed grains. It will enable farmers to hold their grain for better prices and permit them to earn storage payments on it at the same time, the chairman said.

Farmers with 1977 crop grain not under loan and who are interested in putting it into the reserve should contact the county ASCS office for further information.

Farmers with loans on 1977 crop corn may request and be approved for a one month extension of their loan maturity date, County ASC Chairman, Hilborn W. Higbee said today.

Producers with warehouse stored loans must furnish a signed statement from the warehouse indicating warehouse charges for the commodity have been provided for through the extension period and that a lien for such charges will not be claimed for the extension period. Otherwise an extension of a warehouse loan cannot be made.

This extension will enable producers with 1977 crop loans to get a better idea of the 1978 crop and prospective market prices and determine if they wish to place their grain in the reserve program.

Interested producers should contact the county ASCS office for further details.

Richard Jacobs

Birth: unknown
Maryland, USA
Death: 1824
Allegany County
Maryland, USA

Richard Jacobs was born about 1757 in either Anne Arundel County, Md or Frederick County, Md. His parents had lived in Anne Arundel County, Md and moved to Frederick County, Md before 1759. Richard Jacobs moved to Allegany County, Md sometime after his marriage to Eleanor Hilleary in 1789.

Richard Jacobs was a descendant of John Jacob/Jacobs, the original immigrant, who came, indentured, to the new world in 1665 at the age of 33. He was said to have been the son of Robert Jacob born 1603 at Dover, Kent, England and his wife Catherine Jarret. It was told his father was killed fighting Cromwell's men while under the royalist colors. With the death of his father, his resources were impaired and he found a benefactor in James Warner who helped defer his expenses to the new world. John married Anne Chaney, the 20 year old daughter of Richard and Charity (Wood) Chaney. Their children were: Charity b abt 1680 m Richard Duckett, Elisabeth b abt 1680 m Mareen Duvall, Joseph m Elisabeth Jones, John born about 1686, Benjamin m Alice Westfall, Susannah b abt 1689 m Willaim Jones Jr, Anne m George Westfall, Thomas died 1702, Samuel bapt Jan 1, 1701 m Elisabeth Stewart, Richard born Jan 30, 1697/8 m Hannah Howard. (There is some speculation that Ruth Morley Gaither was not the daughter of Joseph Morley but was Ruth Beard Gaither, the daughter of Richard Beard and his wife Rachel Robbins. There is, at this time, no evidence to support the connection with the Beard family.)

John Jacobs born Feb 25, 1733/34 married Elisabeth in 1752 or 1753. Her first husband was Benjamin Nettloy Windsor. Her maiden name is unknown. The first record of Elisabeth is the filing of the estate of her first husband. When the estate was finalized, her name is Elisabeth Jacobs. There was no mention of children in the first marriage. A search has been made for a marriage record of Elisabeth's first marriage to determine her maiden name. No record has been found. It has been thought they were married before coming to the colonies. The children of John Jacobs and Elisabeth were: John m Catherine Deane, William m Dorcas Stokes, Richard born about 1757, Mary m Basil, George m Ann Perril, Benjamin m Elisabeth Gilbert. Administration papers were taken out on his estate on Feb 24, 1769, his widow in 1790, both in Frederick County, Md.

WIFE Margaret Maxine BOWMAN-497

Yr of Birth 1909
Yr of Birth 1912

She had been ill for more then three years and had been hospitalized periodically during that time at Kirksville, Iowa City, IA and Barnes hospital in St. Louis.

Mrs Woodruff was born Nov 22, 1912 on a farm near Fairmount. She was the daughter of Fred Clarence Bowman and Anne Maude Wilson Bowman. She attended Kahoka Public School and Kirksville State Teachers College. She taught at Lawrence school near Revere for one year. She was married to Glen Woodruff July 1, 1933 at her home near Kahoka. During her married life she lived at Perry, Troy, Kirksville, Columbia and Jefferson City, as well as Milwaukee and madison, Wisc, prior to returning to the Woodruff farm near Ashton where she had lived since that time. She had been active in church and community affairs and had made many friends in all her endeavors. She was a charter member of the Jr. Tue Club. She was a member and held office in the P.E.O., Garden Club, W.S.C.S. and Extension club. She was a 4 H leader, member of Eastern Star and various other organizations.

She spent many years in P.T.A. work and was for several years district Pres and served on the State board. She was state historian and publicity chairman for the State P.T.A. organization. Early in life she became a member of the Methodist church and had continued as an active member at Kahoka until her death.

Mrs Woodruff had been a faithful wife and devoted mother who had never failed to think of others first. Her life was exemplified by an untiring devotion to serve and assist her husband and family. Her love, faith and courage provided her with hope during her long illness. She had a firm secure and constant faith in God even though many situations in the last twenty years have seemed impossible. She often asked that her husband and others not give up and encouraged them to "strive on as everything will surely work out". In the later years even the personal suffering was indescribable she expressed a faith in the future and fought against all odds to achieve those goals in life which she valued most. We feel that she has already been rewarded for her suffering and her effort have not been in vain but will encourage all those who really knew her. Her leaving will create a great void in the hearts of those surviving members of the family and the many devoted friends and neighbors who were so thoughtful and kind during the last few years. She was preceded in death by her father in 1959, brother in law Robert J. Elliott in 1961 and her mother in 1963.

She is survived by her husband Glen A. Woodruff and one son Frederick Lewis of Luray, one daughter Nancy Elifzabeth Brownlee and son in law Leonard J. Brownlee Jr. 3 grandchildren Richard James, Sharon Lynn and David Glen Brownlee of Lincoln Nebr, one sister Lola Elliott, Strafford Kan and a host of relatives and friends.

The funeral was held Friday at 2:30 p.m at the Kahoka Methodist church conducted by the Rev. Robert Hemmerla? assisted by the Rev. D.F. Bartine. Pallbearers were Lester Acklie, George L. Seyb, Forrest Phillips, Boley Brotherton, Glenn Frank and Leland Schuster. Burial was at Ashton cemetery.

A Union Picket Caught Napping

To The Herald-Whig:

While driving through Lawrence Road subdivision the other day, I saw something that was rather amusing. A local electrical contractor (non-union, I presumed) was doing work at this house in the subdivision. In front of the house was an old blue car with a man sitting in it. Leaning against the car was a rather large sign. Being a little curious, I stopped to read the sign and found out it was the local electrical union picketing the house the contractor was working at! I couldn't help but laugh thinking the union must be getting pretty hard up, but what was really funny, as I glanced at the man sitting in the car, was that he was fast asleep!

If this is the kind of worker the unions want, I'm glad we don't have any in

Humphrey-Hawkins

WASHINGTON — All of a sudden, the Humphrey-Hawkins bill is back in the news, and if you want a piece of bad news, that's it. No matter how this misguided proposition is watered down or prettied up, it remains pure folly. In the friendliest possible fashion, out of deference to its principal sponsor, the bill ought to be permanently shelved.

The Humphrey-Hawkins bill is the brainchild of Sen. Hubert H. Humphrey of Minnesota and Rep. Augustus F. Hawkins of California. In its original form, as presented to the 94th Congress two years ago, the bill proposed an elaborate blueprint for centralized government planning and control. Ostensibly the idea was to get unemployment down to a level of 3 percent, chiefly by forcing grandiose

One summer session was spent at Ohio State University doing further graduate work. While in college he was a member of Alpha Zeta, RUF NEX and several other Honorary organizations.

During his lifetime he taught vocational agriculture at Perry, Troy and Kirksville. He spent approximately five years as supervisor of Vocational Agriculture in the State Department of Education, Jefferson City, Missouri and a similar amount of time with the United States Department of Agriculture as area representative (CAF 12) in the Labor Branch located in Milwaukee and Madison, Wisconsin. During the WWII years, he had charge of foreign workers in that area that were imported for agricultural labor.

Following these experiences, he moved back to the family farm near Ashton where he owned much of the land formerly belonging to Caleb, Noel, and Andrew T. Woodruff, and was extensively engaged in the production and fattening of beef cattle and hogs.

For several years after WWII, he taught agriculture to veteran classes. He was a member of the Kahoka Methodist Church and served as a Missouri University Alumni Representative.

Mr. Woodruff was a charter member and quite active in the Farm Bureau, Missouri Co-Op and served on the advisory board for the University of Missouri. He helped organize the County Health board and was active in many other community programs during his lifetime, such as assisting in the establishment of the Medical Center in Columbia.

He was preceded in death by his parents, his first wife, Margaret Maxine Woodruff, and his son, Fredrick Louis Woodruff.

He is survived by his wife, Adrienne Woodruff, his daughter and son in law, Nancy Elizabeth and Len Brownlee of Columbia, Missouri and by four grandchildren, Richard James, Sharon Lynn, David Glen and John Scot Brownlee.

Pallbearers were Forrest Phillips, Roger Sedore, Alvin Brotherton, Hugh Wilson,

Info received from Eugene C. Boley, 3457 Indian Lake Lane, Pelham, AL 35124 Jan 1998 first from e-mail chabol@aol.com and then by letter. He stated the family moved from a brick house one mile east of Donnellson, Iowa to the home place west of Kahoka in the winter of 1892-93. They forded the Des Moines River. In 1938 they tried to sell the 280 acres (home place) for \$50 per acre to pay off some debts and mortgage. Finally in 1947 it sold for \$110 per acre. The heirs had tried to sell it to Lawrence Boley for \$100 per acre in 1947, but Lawrence was afraid to go into debt. So many of the relatives had lost farms a few years before by going into debt. In 1997 the farm sold again for \$2250 per acre, over a half million dollars. (Just goes to show you how much land has come up in price over the years-GLT).

NOTES:

Sources for John: Info from James O. Boley 1979. Also copy of obit from Kahoka Gazette Herald 15 Feb 1935. Was quite lengthy but will copy it here as quite tragic. Date of fire was 11 Feb, but that was wrong.

Boley Tragedy: Last week we announced the news of the tragic death by burning of Mr and Mrs J.F. Boley of Vici, Oklahoma. Mr Lawrence Boley and Mr Otto Theiss departed for that place to bring back the remains for burial here on arriving found the tragedy to be even greater than they were prepared for. Mr and Mrs Boley had been murdered before the house was fired.

The Boley home had been destroyed by fire of mysterious origin before and their last home was practically new. The home was discovered to be on fire by neighbors early in the evening of February 11 but when they reached the scene the flames were so intense there was no chance of entering the building. It was not until the fire had subsided and the remains cooled that a search could be made for the bodies.

A coroner's inquest was held and it was revealed that both Mr and Mrs Boley had

been shot in the chest and the home fired by robbers to cover up the crime. The robbery theory was advanced due to the fact that Mr Boley had just sold some stock and still had the money about the premises. Mr Theiss and Mr Boley arrived Monday with the remains in one sealed casket which was taken to the Gutting Funeral home until the final funeral services were held at the Evangelical Church Tuesday Feb. 12.

John Franklin Boley, son of Mr and Mrs Frank Boley of Kahoka, MO. was born Oct 28, 1872 at Donnelson, Iowa. Anna Marie Theiss, daughter of Mr and Mrs Peter Theiss was born Sept 23, 1891 at Kahoka, Mo. The deceased were married Feb 1, 1912 and both met their tragic deaths Feb 5, 1935 at about 9:00 o'clock p.m.

Mrs Boley was confirmed in the Evangelical Church and after their marriage both united with the Carmel Church. One son Russell, 18 years, who was a student in college at Alva, Oklahoma at the time of his parents deaths survives.

Besides his parents he is survived by the following brothers, Ira Boley of Chicago, Lawrence of Kahoka, Lee Boley of Kansas City, Dr. J.O. Boley of Pilot Grove, MO and one brother Floyd died 1936 (was actually 1926).

Besides her mother, Mrs Jacob Dinger and step father, she leaves one brother, Otto Theiss of Kahoka, sisters, Mrs O.H. Heinze, Kahoka, Mrs E.R. Leigh, Denver, Colorado. Her father Peter Theiss died Febr 1920 and sister Emma died Febr 1919.

Mr and Mrs Boley moved to Oklahoma in the spring of 1921.

Funeral services were held in Oklahoma Friday and relatives left Sunday nite with the remains for Kahoka arriving at Medill at 1:05 pm Monday. Final funeral services were held from the Evangelical church in Kahoka Thursday at 2:00 pm conducted by Rev. Theo F. Schumacher. Burial in Kahoka cemetery.

Pall bearers were Adolph Mohr, John Cole, Henry Pohlman, John A. Martin, Henry E. Mohr and Cecil Denham.

Notes for HENRY FRANKLIN BOLEY:

Family moved from a brick house one mile East of Donnellson, Iowa to the Home Place South West of Kahoka in the winter of 1892-93. They forded the Des Moines River. In 1938 they tried to sell the 280 acres (Home Place) for \$50 per acre to pay off some debts and mortgage. Finally in 1947 it sold for \$110 per acre. The heirs had tried to sell it to Lawrence for \$100 per acre in 1947, but Lawrence was afraid to go into debt. So many of the relatives had lost farms a few years before by going into debt. In 1997 the farm sold again for \$2250 per acre, over a half million dollars.

Letters to the E

LETTER TO THE EDITOR

I enjoy your paper very much--and read it regularly as I spend weekends on my parent's farm in Clark County, west of Luray. I especially enjoy the historic items and "Notes from Years Ago."

I would like to locate a person who lived in Clark County long ago--and perhaps someone in the area may know her whereabouts.

Her name is Virginia Casady, and I want to thank her for being my Home Ec teacher at Kahoka High School in the late 1940's. She was one terrific teacher and I still borrow many of her methods as I teach Home Ec.

I visited Edna L. Seyb at the Odd Fellows Home in Liberty, Missouri until her death, and I was able to thank her.

I corresponded with Mrs. Florence P. Ehrhart in Marshall, Missouri until her death.

Miss Janett Buck was a very special person who kept a notebook of all of "her" graduates at Kahoka High School.

If any of your readers have knowledge of addresses of other teachers in that time span, I'd love to know about them. They were very special people, and should be thanked.

Thank you very much--and thank you for a good paper.

Sources for John: Info from James O. Boley 1979. Also copy of obit from Kahoka Gazette Herald 15 Feb 1935. Was quite lengthy but will copy it here as quite tragic. Date of fire was 11 Feb, but that was wrong.

Boley Tragedy: Last week we announced the news of the tragic death by burning of Mr and Mrs J.F. Boley of Vici, Oklahoma. Mr Lawrence Boley and Mr Otto Theiss departed for that place to bring back the remains for burial here on arriving found the tragedy to be even greater then they were prepared for. Mr and Mrs Boley had been murdered before the house was fired.

The Boley home had been destroyed by fire of mysterious origin before and their last home was practically new. The home was discovered to be on fire by neighbors early in the evening of February 11 but when they reached the scene the flames were so intense there was no chance of entering the building. It was not until the fire had subsided and the remains cooled that a search could be made for the bodies.

A coroner's inquest was held and it was revealed that both Mr and Mrs Boley had been shot in the chest and the home fired by robbers to cover up the crime. The robbery theory was advanced due to the fact that Mr Boley had just sold some stock and still had the money about the premises. Mr Theiss and Mr Boley arrived Monday with the remains in one sealed casket which was taken to the Gutting Funeral home until the final funeral services were held at the Evangelical Church Tuesday Feb. 12.

John Franklin Boley, son of Mr and Mrs Frank Boley of Kahoka, MO. was born Oct 28, 1872 at Donnelson, Iowa. Anna Marie Theiss, daughter of Mr and Mrs Peter Theiss was born Sept 23, 1891 at Kahoka, Mo. The deceased were married Feb 1, 1912 and both met their tragic deaths Feb 5, 1935 at about 9:00 o'clock p.m.

Mrs Boley was confirmed in the Evangelical Church and after their marriage both united with the Carmel Church. One son Russell, 18 years, who was a student in college at Alva, Oklahoma at the time of his parents deaths survives.

Besides his parents he is survived by the following brothers, Ira Boley of Chicago, Lawrence of Kahoka, Lee Boley of Kansas City, Dr. J.O. Boley of Pilot Grove, MO and one brother Floyd died 1936 (was actually 1926).

Besides her mother, Mrs Jacob Dinger and step father, she leaves one brother, Otto Theiss of Kahoka, sisters, Mrs O.H. Heinze, Kahoka, Mrs E.R. Leigh, Denver, Colorado. Her father Peter Theiss died Febr 1920 and sister Emma died Febr 1919.

Mr and Mrs Boley moved to Oklahoma in the spring of 1921.

Funeral services were held in Oklahoma Friday and relatives left Sunday nite with the remains for Kahoka arriving at Medill at 1:05 pm Monday. Final funeral services were held from the Evangelical church in Kahoka Thursday at 2:00 pm conducted by Rev. Theo F. Schumacher. Burial in Kahoka cemetery.

Gladys,
I can't remember for sure if you had met my uncle Dr. James Oren Boley.
It
seems we had talked about your having met him in the course of your
genealogy
research. He died June 20 after many months of degrading health. He
will be
missed by the family of course, but his contributions to the genealogy of
the
Boley and connecting families will be a forever lasting gift.

Gene Boley

Dear Gladys,

Thanks for the information about Malissa (Elizabeth) Boley Beeler. My confusion came when I found two Jacob Beelers in southern Indiana. One in Harrison and one in Crawford. I finally found Jacob and Elisabeth in the 1850 census and the Crawford County Jacob selling property in Sept. of 1852, with his wife Susan.

I'm sure you already know, but I found an entry on Nov. 12, 1859 of the Court Record Book, of Harrison County stating:

"William Blankenbaker guardian of the person and estate of Henry Boley, Martin Boley, Aduline Boley, Carolin Boley, Dorthneu Boley, Melina Boley, Mary Boley, Isaac Boley heirs of Sarah Boley Deceased." Then in the text that these are "Heirs of Sara Boley and Nicholas Boley Dec."

And in a book "Marriage Affidavits and Certificates" of Harrison County Indiana 1809 - 1865 by Walter S. Beanblossom. Cook-McDowell Publication, March 1973.

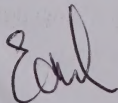

That on 3 May 1838 Nicholas Boley married Sara Lahue with consent of father Spencer Lahue.

I am enclosing some descendants of Jacob Beeler and Malissa Boley Beeler.

Again thanks for your help.

Dear Gladys,

Thank you for the information about Michael (Baptist) Boyer. His
condition came when I found two Jacob Boyer's children in the
Harrison and one in Crawford. I finally found Jacob and Elizabeth in the 1850
census and the 1870 census, both being added as entry in 1850. I was in
with them.

I'm not sure I know, but I found no entry on Nov. 12, 1859 at the
Crawford House, of Harrison County, Ohio.

William (Baptist) Boyer of the house and estate of Henry Boyer,
Harrison, Ohio. Another Boyer, Caroline Boyer, Barbara Boyer, Mary
Hill, Isaac Boyer, James Boyer, Deborah. This is the last time we
find of Jacob Boyer and Elizabeth Boyer.

And in a book "Michigan Abolition and Cincinnati of Harrison County
Indiana 1800 - 1860 by Walter S. Hamilton, Cook, Indiana, Hamilton,
March 1973.

That on 3 May 1858 Michael Boyer married Jane Lakin with consent of sister
Elizabeth.

I am enclosing some documents of Jacob Boyer and Michael Boyer.

Again thank you very much.

Hi Earl,

Thank you so much for the info you sent, just received it yesterday and will go thru it as know it is a lot more then I had and it is always so nice to locate a new cousin and can share info on different lines.

I also thank you for finding the info on Nicholas and Sarah Boley but I had been to Harrison Co. IN some years ago and had done quite a lot of research on the Boley's and Lahue's and Dyer's and Hurst's as all came from there and the info is related to my Nicholas and Sarah Lahue Boley and their daughter Melvina Boley md Charles Hillory Dyer in Harrison Co. IN then they moved to Clark Co. MO.

If I have any info that you would be interested in please let me know as I am always happy to share what I have.

What genealogy program do you use? I have most of my info in PAF but do use Family Origins sometimes as well. There are several good programs out there and different ones around here use different ones as well so we have a varity to choose from but I started with PAF and still like it better then others as it isn't as complicated as others, but then it doesn't do as much either, but does what I want.

Happy hunting and keep in touch, your distant cousin,

Gladys
